President's Message

Every month seems to come around quicker. Winter is well and truly with us with cold nights (and days) upon us. Thanks to all members and guests who attended our May Social, you all made it a great day. The one song each worked a treat and we all had the opportunity to go again. I personally did not mind the format, with two times on stage throughout the day.

The Tamborine Lions Club has decided to try a different format at their market, so it's a lie in for us.

This Friday just gone the guys performed at The House With no Steps in Logan Village to support their Country Dance theme. Coming up we have the sausage sizzle on July 13th , Woodhill Billy Cart Derby and next Sunday 30th June we are one of the clubs supporting Guanaba CMC to raise money for Cerebral Palsy League . It will be a full day of music from 9.30 am . Hope to see you there to support this worthy cause.

Thanks to those who have put their name forward to perform at our annual Round up in October. All those who met the selection criteria (must be financial, must have supported the club over the past year, must be prepared to practice and perform with the Club's backing Band and preference will be given to those that nominate our club as their primary club) will be advised which "group" they are with so that practice for the day can be arranged. More details to follow

Finally, a reminder that memberships are now due for the 2013-2014 year.

President

Secretary's Message

Hi Members,

Well this month's social should be a busier one than last month. We have Clarrie kicking off proceedings with four songs. He was unable to attend last month. This month's member profile is Ian Blyth who will open up a future social for us. Also we have West Moreton Country Music Assoc. as our guest Club. It will be good to catch up with them again.

As Mick mentioned, Lesley, Clarrie, Ian, Peter and I performed for the House With No Steps last night at the Lion's Hall at Logan Village. They organised a Country Dance evening. The organisation cares for those young members of the community that have a disability. At the end of the evening, Clarrie put on his DJ hat and played some lively dance music which had virtually all the younger ones (and some oldies) up dancing. It was a pleasure to see the enjoyment on their faces.

We are looking for volunteers to help run the sausage sizzle at Brown's Plains Cash Converters on 13 July. Last time we ran this event we raised \$440. Hopefully this one will also be successful.

Our Club has been invited to take part in Guanaba's annual Charity Day on 30 June . The dya begins around 9.30am and goes until after 6.00pm. Our session is between 2.30pm and 3.30pm. Please come along and support this fund raiser. Those representing the Club will be Clarrie, Linda, Mick, Lesley, Ian, myself with Peter on lead and Loren on drums. This group has been getting together on the past few Saturday afternoons to prepare for the event. Once that event has been held we will trial the Saturday afternoon as a regular thing (may be a few Saturdays per month ??) in preparation for our Roundup. We will advise those members taking part in the Roundup of the venue and time sometime in July.

Unfortunately, we have a few members who are not enjoying the best of health. In particular we send our best wishes to Linda for a speedy recovery.

Some happy faces from last night's "House With No Steps" function

Member Profile: - Ian Blyth

1. **When did you first sing or play in public.** *It was 1964 at a Church Social in Dunedin – a group of us donned Beatle wigs and guitars and sang I Saw Her Standing There and They Call The Wind Maria (not a Beatles tune if you're puzzled!)*
2. **Which singers/musicians were an influence on you?** *It's hard to say. I grew up around music - my Dad used to play piano (pop not classic) and sing at home and we had a record player and a collection of 78's in the 50s, so music was always there. Some of my favourites include Charley Pride, Johnny Cash, Jim Reeves, Buddy Holly, Ricky Nelson, Simon & Garfunkle, Chet Atkins, Everly Brothers.*
3. **If you could go back in time for one day where and when would that be?** *13th September 1975 Lower Hutt, NZ! That was our wedding day and we really had a blast – probably the only time we had all our friends and family together and unlimited live music and refreshment all night!*
4. **If you could invite 3 people to have dinner with who would they be** *Paul McCartney, Charley Pride, Bill Gates*
5. **Have you met anyone famous** *I have a number of acquaintances who have won Olympic medals or World titles in athletics, and I have shaken hands with Charley Pride during one of his concerts?*

6. **If you could be granted three wishes what would they be?** *Eliminate violence from the world. Have a long, happy life. Be able to play guitar, sing & run all my life (better than I can now!)*
7. **If you could go to any musical concert who would you like to hear.** *Elvis Presley (has he been sighted lately?)*
8. **Where is your favourite place you've travelled to?** *We were lucky enough to get to Italy two years ago, loved the place especially Venice after the "tourists" had left, eating in local cafes with local people.*
9. **Did you have a nickname as a kid** *My Dad used to call me Shorty but I guess that was before I sprouted!*
10. **When and where were you born** *1947 Auckland NZ*
11. **What was your first job?** *I had a holiday job as a porter (sweeping the platform and unloading freight) at the Dunedin railway station, earning 3s 4.75d per hour.*
12. **What is your most significant achievement as a performer?** *Being invited to perform the guest spot at this club.*
13. **What is your happiest memory?** *Sitting on a beach, playing guitar as the sun goes down – I've always enjoyed beach holidays since childhood days.*
14. **What is your proudest moment** *Escorting my daughter down the aisle at her wedding last year.*
15. **What are the main lessons you've learned in life.** *Too many to summarise, but whatever you do, you should do it to the best of your ability – if you believe strongly enough that you can achieve something and are prepared to put the effort in, you will achieve it.*

Monthly Funnies.

The only cow in a small town in Ireland stopped giving milk. Then the town folk found they could buy a cow in Scotland quite cheaply. So, they brought the cow over from Scotland. It was absolutely wonderful, it produced lots of milk every day and everyone was happy. They bought a bull to mate with the cow to get more cows, so they'd never have to worry about their milk supply again. They put the bull in the pasture with the cow but whenever the bull tried to mount the cow, the cow would move away. No matter what approach he bull tried, the cow would move away from the bull, and he was never able to do the deed. The people were very upset and decided to go to the Vet, who was very wise, tell him what was happening and ask his advice. "Whenever the bull tries to mount our cow, she moves away. If he approaches from the back, she moves forward. When he approaches her from the front, she backs off. If he attempts it from the one side, she walks away to the other side." The Vet rubbed his chin thoughtfully and pondered this before asking, "Did you by chance, buy this cow in Scotland?" The people were dumbfounded, since no one had ever mentioned that they had brought the cow over from Scotland. "You are truly a wise Vet," they said. "How did you know we got the cow from Scotland?" The Vet replied with a distant look in his eye: "My wife is from Scotland"

The Rugged Outdoor Woman

During her physical examination, a doctor asked a retired woman about her physical activity level. The woman said she spent 3 days a week, every week in the outdoors. "Well, yesterday afternoon was typical; I took a five hour walk about 10 kilometers through some pretty rough terrain. I waded along the edge of a lake. I pushed my way through 3 kilometers of brambles. I got sand in my shoes and my eyes. I barely avoided stepping on a snake. I climbed several rocky hills. I had to pee behind some big trees. I ran away from an irate kangaroo and then ran away from one big angry bull. The mental stress of it all left me shattered. At the end of it all I drank a scotch and three glasses of wine. Amazed by the story, the doctor said, "You must be one hell of an outdoor woman!" "No," the woman replied, "I'm just a really, really shitty golfer".

Joke of the Year Two women were sitting together, quietly.

The Husband Store

A store that sells new husbands has opened in New York City, where a woman may go to choose a husband. Among the instructions at the entrance is a description of how the store operates: You may visit this store **ONLY ONCE!** There are six floors and the value of the products increase as the shopper ascends the flights. The shopper may choose any item from a particular floor, or may choose to go up to the next floor, but you cannot go back down except to exit the building! So, a woman goes to the Husband Store to find a husband. On the first floor the sign on the door reads:

Floor 1 - These men Have Jobs.

She is intrigued, but continues to the second floor, where the sign reads:

Floor 2 - These men Have Jobs and Love Kids. 'That's nice,' she thinks, 'but I want more.' So she continues upward. The third floor sign reads:

Floor 3 - These men Have Jobs, Love Kids, and are Extremely Good Looking.

'Wow,' she thinks, but feels compelled to keep going. She goes to the fourth floor and the sign reads:

Floor 4 - These men Have Jobs, Love Kids, are Drop-dead Good Looking and Help With Housework. 'Oh, mercy me!' she exclaims, 'I can hardly stand it!' Still, she goes to the fifth floor and the sign reads:

Floor 5 - These men Have Jobs, Love Kids, are Drop-dead Gorgeous, Help with Housework, and Have a Strong Romantic Streak. She is so tempted to stay, but she goes to the sixth floor, where the sign reads:

Floor 6 - You are visitor 31,456,012 to this floor. There are no men on this floor. This floor exists solely as proof that women are impossible to please.. Thank you for shopping at the Husband Store.

PLEASE NOTE:

To avoid gender bias charges, the store's owner opened a New Wives store just across the street.

The first floor has wives that love sex.

The second floor has wives that love sex and have money and like beer.

The third, fourth, fifth and sixth floors have never been visited.

Guidelines For on Stage Performers/Band Members

In order to ensure a smooth and enjoyable day, the following guidelines must be followed.

Club's Monthly Social

- *If you wish to sing (perform) you need to supply 3 copies of chord charts to the band. You also need to register on the day with the stage co-ordinator.*
- *The stage co-ordinator will arrange the order of appearance. This usually corresponds to order of arrival/registration.*
 - *Stage co-ordinator to arrange backing band / bands.*
- *Backing band to be financial members. This can be varied to include members of other clubs if there are no club members available. This must be with the approval of the stage co-ordinator.*
- *Visitors/members are welcome to request to play as a group.*
- *The Band :- give the band every opportunity to learn your music, so that they can do their best on performance day. Have your music ready, in the right key and written out clearly with no errors.*

Performances at other clubs or outside events

- *When representing the club as guests at other clubs or at special functions the following also applies.*
- *Preference will be given to financial members who have nominated our club as their primary or only club*
- *Potential band members wishing to perform as part of the club, will need to consult with the stage co-ordinator before being accepted.*
- *Practice with other band members will be arranged from time to time on an as needs basis*

In all instances the stage co-ordinator has the final decision regarding those performing on stage.
