No social December

President's Message

Christmas is nearly upon us and with December being a busy month, November will be our last Social for 2013. We are however having a free Christmas gathering to be held at our house (Mick & Lesley) Jimboomba on December Sat14th for our members and supporters. Contact Mick or Lesley for address and details.

It has been an eventful year with our band Lobeau evolving to support performers at socials as well as representing the Club at other events, Opal Gardens , House With No Steps , Woodhill State School, Crowson Lane Riders for The Disabled etc. We are still trying to keep our socials flexible and friendly days whilst introducing a little more structure in the organising of performer / bands. We are of course always happy to receive feedback good or bad so that we can continue to improve.

All in all we have had a successful year with Our Best Roundup to date and our socials. The passing of Bonnie was a loss for us and the Country Music Community in general. Her smile and happy nature will be sadly missed.

Thank you all for your support and have a Merry Christmas/ New Year and keep safe -- we want to see you all back in 2014.

Mick Wood

President

Don't forget
Saturday 14th December
Mick and Lesley's
0412 112 975 or 0412 115 711 for directions etc.

Secretary's Message

Hi Members,

Well this is the last Newsletter of the year and this Sunday is our last social of the year (boo hoo).

Unfortunately, Northern Suburbs CMC is unable to attend this month's social. We hope that they can make it at one of next year's events.

Looking back we have had a busy year. We've played at Woodhill State School, Tamborine Village Markets, House with no Steps, Opal Gardens and almost The Logan Village Australia Day celebrations (it was rained off) to mention but a few. We've had Guanaba, Twin Rivers and Ipswich & West Moreton as guest clubs at our socials

However the saddest part of the year was when we lost our dear Bonnie Watts who succumbed to cancer on 27th April. We also would like to note that another regular Reg Berndt has been absent for quite a while. We believe that he is now in a nursing home. If anyone has any more information we'd love to share it with our members.

I'd like to thank all those people who supported us during the year who either came along to listen, sing, play or helped set up the gear or stayed back to help us pack up. In particular, I'd also like to thank members of the committee for their hard work.

On behalf of the committee may I wish all our members and supporters a happy and joyous Xmas and a healthy and peaceful New Year.

David Elsdon

Secretary

Monthly Funnies.

Paddy spies a letter lying on his doormat. It says on the envelope "DO NOT BEND".

Paddy spends the next 2 hours trying to figure out how to pick it up.

Paddy shouts frantically into the phone "My wife is pregnant and her contractions are only two minutes apart!" "Is this her first child?" asks the Doctor.

"No", shouts Paddy, "this is her husband!"

An old Irish farmer's dog goes missing and he's inconsolable.

His wife says "Why don't you put an advert in the paper?"

He does, but two weeks later the dog is still missing.

"What did you put in the paper?" his wife asks. "Here boy" he replies.

Paddy's in jail. Guard looks in his cell and sees him hanging by his feet.

"What on earth you doing?" he asks. "Hanging myself" Paddy replies.

"It should be around your neck" says the Guard. "I know" says Paddy "but I couldn't breathe".

An answer I can understand. An American tourist asks an Irishman:

"Why do Scuba divers always fall backwards off their boats?" To which the Irishman replies: "They have to go backwards. If they fell forwards, they'd still be in the boat."

Subject: New Treatment for Sunburn

A guy, in sunny Surfers' Paradise, fell asleep on the beach for several hours and got horrible sunburn, specifically to his upper legs.

He went to the hospital, and was promptly admitted after being diagnosed with second-degree burns. With his skin already starting to blister, and the severe pain he was in, the doctor prescribed continuous intravenous feeding with saline, electrolytes, a sedative, and a Viagra pill every four hours. The nurse, who was rather astounded, asked,>

'What good will Viagra do for him, Doctor?

The doctor replied, it won't do anything for his condition, but it'll keep the sheets off his legs.....

WHEN I'M 100, IF I LEAN A LITTLE, JUST LET ME.****

The family wheeled Grandma out on the lawn, in her wheelchair, where the activities for her 100th birthday were taking place.**** Grandma couldn't speak very well, but she would write notes when she needed to communicate.**** After a short time out on the lawn, Grandma started leaning off to the right, so some family members grabbed her, straightened her up, and stuffed pillows on her right side.**** A short time later, she started leaning off to her left, so again the family grabbed her and stuffed pillows on her left side.. Soon she started leaning forward, so the family members again grabbed her, and then tied a pillowcase around her waist to hold her up.**** A nephew who arrived late came up to Grandma and said 'Hi, Grandma, you're looking good! How are they treating you?' Grandma took out her little notepad and slowly wrote a note to the nephew:**** 'Buggers won't let me fart.'****

Baby's First Doctor Visit. This made me laugh out loud. I hope it will give you a smile!

A woman and a baby were in the doctor's examining room, waiting for the doctor to come in for the baby's first exam. The doctor arrived, and examined the baby, checked his weight, and being a little concerned, asked if the baby was breast-fed or bottle-fed. 'Breast-fed,' she replied.. 'Well, strip down to your waist,' the doctor ordered. She did. He pinched her nipples, pressed, kneaded, and rubbed both breasts for a while in a very professional and detailed examination. Motioning to her to get dressed, the doctor said, ' No wonder this baby is underweight. You don't have any milk.' 'I know,' she said, 'I'm his Grandma', But I'm glad I came.

Guidelines For on Stage Performers/Band Members

In order to ensure a smooth and enjoyable day, the following guidelines must be followed.

Club's Monthly Social

- *If you wish to sing (perform) you need to supply 3 copies of chord charts to the band. You also need to register on the day with the stage co-ordinator.*
- *The stage co-ordinator will arrange the order of appearance. This usually corresponds to order of arrival/registration.*
 - *Stage co-ordinator to arrange backing band / bands.*
- *Backing band to be financial members. This can be varied to include members of other clubs if there are no club members available. This must be with the approval of the stage co-ordinator .*
 - *Visitors/members are welcome to request to play as a group.*
- *The Band :- give the band every opportunity to learn your music, so that they can do their best on performance day. Have your music ready, in the right key and written out clearly with no errors.*

Performances at other clubs or outside events

- *When representing the club as guests at other clubs or at special functions the following also applies.*
- *Preference will be given to financial members who have nominated our club as their primary or only club*
- *Potential band members wishing to perform as part of the club, will need to consult with the stage co-ordinator before being accepted.*
- *Practice with other band members will be arranged from time to time on an as needs basis*

In all instances the stage co-ordinator has the final decision regarding those performing on stage.
